

Privacy policy

Changes to this policy

Should the online Privacy Policy change, we will post all changes in an amended version with a new “Last Updated” date at the top of this Privacy Policy.

Information that we collect

We collect two types of information from you. The first type is personal information that you actively choose to disclose (“Personal Information”) and the second type is anonymous aggregate information collected in a manner not visible to you or others visiting the Website (“Website Use Information”).

Personal information

Examples of personally identifiable data that you may provide to us may include your name, phone number and email address. In providing Personal Information, you consent and agree to us contacting you with information related to the Website and/or information regarding our or third parties’ products and services. If you provide personally identifiable data to us, you may later elect to have that information deleted from our files, or kept from being used for purposes other than for the service requested, by following the opt-out procedures set forth below.

Website use information

We record information relating to your use of the Website, such as the information you click on, your browser type, IP address, referring URL, and timestamp information. We use this type of information to administer the Website and may also use this information in the aggregate to

perform statistical analyses of user behavior and characteristics in order to measure interest in and use of the various areas of the Website.

Information sharing and disclosure

We may share, license, or sell information we collect to third parties for various marketing purposes, including their online marketing programs. We also reserve the unequivocal right to release all your information, to the maximum extent permitted by law in the event that: (1) we believe that the Website is being or has been used to commit unlawful acts; (2) the information is subpoenaed or otherwise required in a court proceeding; (3) you violate or breach an agreement with the Website; (4) you have submitted fraudulent or otherwise invalid information to this Website; (5) we believe that you may harm, or have harmed, the property or other rights of us, our members, our employees, the Website's other users or any other third party; (6) we are sold to or otherwise acquired by any individual, entity or organization (i.e. to a successor entity in the event of sale of the business, including merger, bankruptcy or other ownership change); or (7) when we otherwise deem it necessary or appropriate. We may disclose any record or communication to any third party when we, in our sole discretion, determine the disclosure to be appropriate including, without limitation, sharing your e-mail address with other third parties for suppression purposes in compliance with the requirements of the CAN-SPAM Act of 2003, as amended from time to time, or any other applicable state or federal law, rule or regulation.

Sms rates and fees

In addition to any fee of which you may be notified your provider's standard messaging rates apply to our confirmation of your submission through the Website and all subsequent SMS correspondence. You may opt-out and remove your SMS information by replying "X", "STOP", "END" or "QUIT" to the SMS text message you have received.

Use of cookies

We may use cookies and log files to optimize and personalize your experience and allow us to monitor site traffic patterns. When you log on to our Site a “cookie” is placed on your computer. Cookies allow us to validate your identity and maintain the security and privacy of your account data. We may share, sell, or license cookies collected from your browser and hard drive to third-party advertisers. These authorized third parties may link your name, address, and e-mail address to other information which they collect, such as past online/offline purchase information and Web usage from other sites.

Securing information

We make reasonable efforts to secure your information. Such efforts may include but are not limited to monitoring of our network and data for intrusions. We also use industry-accepted standards to protect your information, including SSL encryption, if and when transmitting any sensitive information. We have implemented certain physical, encrypted, electronic, and managerial procedures to safeguard and secure the information we collect. Communications you may have with us via email or mail may not be secure unless we advise you that security measures are in place prior to you sending the information. Therefore, if you choose to communicate with us through these means, you are assuming the risk of doing so and we request that you do not send or post sensitive information through these means.

Access / Accuracy

Should you need to update or correct any personally identifiable information you have provided to us through the Site, you may send updates and corrections to GetAd@Alpha-Media.us and we will make reasonable efforts to timely update or change the information we hold.

Links

The Website may contain links to third party sites including sites with which we have no affiliation. We are not responsible for their privacy practices. It is recommended you read the privacy policies on all such third-party sites.

Privacy rights

To opt-out of having your information shared with third parties, simply email us at GetAd@Alpha-Media.us with the words “Opt Out” in the subject header and your complete name and address in the body of the message.
